

# Hearts for Haiti

In the weeks since the devastating earthquake in Haiti killed over 150,000 people and injured as many more, we as Americans have responded in overwhelming fashion to the need of our neighbors. But the need will continue for many months, if not years, as this poor country struggles to its feet.

As people of faith, the Westminster community has responded in many ways, and we continue to have an opportunity to respond to the incredible need in Haiti in one of the following ways:

**"Hearts for Haiti" from our Sunday School Children** - through the efforts of our Sunday School, we will have the ability to help what is arguably the most impacted population of Haiti - the children.

The children of Westminster will be responding to this need in their own special way with "Hearts for Haiti". Funds raised through "Hearts for Haiti" will be dedicated to PCUSA Disaster Assistance Fund for Haiti.

Beginning Sunday, January 31st after the 11:00 worship, and in the times before and after services on February 7 and 14, purchase a heart custom-decorated by one of our own Westminster Sunday School kids for \$5 and place your name on it. The hearts will be displayed on the wall in the Holmes Room.

**One Great Hour of Sharing fish banks** - this year, designated proceeds from the OGHS fish banks will be dedicated to relief efforts in Haiti.

**PCUSA Presbyterian Disaster Assistance** - visit
